

International  
Nitrogen Initiative

# Report from EPNB

Wilfred Winiwarter & Albert Bleeker

# Meeting schedule

Annexes to guidance document:

- Status
- Consistency (Bruna Grizetti)
- Uncertainty (Lydia Moklyachuk)
- Review report for annex “Forest and semi-natural vegetation including soils” (Jurg Heldstab)
- Further procedure

# Meeting schedule

## Work programme (2015 -2016)

- Draft to be determined at EPNB-12
- Finalize annexes to guidance document
- Scientific paper(s) on approach
- Reporting and communication: indicators
- Continued interaction with OECD etc. on budget work
- User workshop (if funded)
- Farm nitrogen budgets
  - \* Still needs to be flagged, but lower in priority
- Dynamic tool on N budgets
  - \* Adrian/Jorg have been working on that - however, less priority due to the annexes

# Meeting schedule

## Country reports

- Italy: Italian Nitrogen Network
- Austria: Humans & Settlements work in the Austrian context
- Australia: Nitrogen fluxes / flows on farm-scale

# Thank you
