<i>Hydrosphere</i>	<i>Bruna</i>	<i>done</i>	<i>Natalia Buchkina Josette Garnier Luis Lassaletta</i>	5.5.15	9.6.15	3.12.15

# GP review

- Discussion on the EPNB contribution to the review process
- Review of the current wording in the text of the protocol with respect to N budgets
- Request to national experts with last the newsletter
  - Why is it useful to do national nitrogen budgeting?
  - What were the main barriers in national application since its implementation in the last revision of the GP 2012?

# View towards updated workplan

- EPNB guidance – complete report
- Visualization tool – reporting template
- Expand user groups
