

EPNF2 - 2nd meeting

La Forestina - November 22-24, 2016

As discussed and decided during the meeting in Paris (see minutes here http://www.clrtap-tfrn.org/sites/clrtap-tfrn.org/files/documents/EPNF2/EPNF2-1_minutes.pdf) a workshop for the Expert Panel on Nitrogen and Food is required in autumn 2016 with the objectives of:

- defining the content and objectives for each of the sections,
- discussing cross-links between the different sections,
- discussing how to best align the sections with the "Food and Agriculture Storylines" including "Representative Diet Pathways" which are currently being developed.

Tuesday 2016-11-22

12:00	13:00	Arrival - Lunch
13:00	14:00	Session 1: Introduction <ul style="list-style-type: none">• Introduction to EPNF2 (AL) 10 min• Introduction to TFRN (C. Marques do Santos) 10 min Discussion: How can we make a change? Target groups, format of policy brief and advocacy/communication strategy (SK) 30 min
14:00	18:30	Session 2: Food & Agriculture Storylines <ul style="list-style-type: none">• Background: existing RCPs/SSPs/SPAs/FASs (BB/ RD)• Joined development/refinement of the storylines, guided discussion/brainstorming on scope, detail, content & consistency• Background: FASs and RDPs - relevance for EPNF2 (AL)• How can the storylines be used to integrate the work on Food & N? Coffee break 16:00-16:30
19:30	open	Workshop dinner at "La Forestina"

Wednesday 2016-11-23

08:30	09:30	Session 3 - Chapters: PART 3: Making the case: nitrogen and food <ul style="list-style-type: none">• Representative diet-pathways: the cost of unhealthy diets (MS)• Healthy and nitrogen-smart: trade-off or win-win? (BB)• Reduction of N pollution: improved supply versus changed demand (AL)
-------	-------	--

09:30	10:15	<p>PART 1: Food Chain Nitrogen Use Efficiency</p> <ul style="list-style-type: none"> • The limits of Farm scale NUE (NH) • Food losses and circular nitrogen flows in the post farm gate food chain (DV) • Full chain NUE in Europe and case studies (DH) <p><i>Coffee break 10:15-10:45</i></p>
10:45	11:45	<p>PART 2: The relevance of Nitrogen for a healthy society</p> <ul style="list-style-type: none"> • Dietary recommendations & nutrition scores of diet (SC/RA) • Nitrogen-smart diet choices: Alternative protein sources (CM) • Health effect of Nr losses in the food chain (RD/BG) • Policies and societal changes (FB)
11:45	12:30	General discussion
12:30	14:00	Lunch
14:00	17:30	<p>Parallel sessions on individual chapters/parts</p> <p><i>Coffee break 15:30-16:00</i></p>
17:30	18:30	<p>Session 4: Beyond EPNF-2</p> <ul style="list-style-type: none"> • EPNF from the perspective of the CLRTAP (MS) 10 min • Strategies, opportunities etc.
19:30	open	Dinner - continuation of discussions

Thursday 2016-11-24

08:30	10:30	Session 5: Reporting back from parallel sessions & discussion
11:00	12:00	Closing: Next steps, action points, etc.
12:30	13:30	Lunch
